MAIN STREET GREENSBURG MISSION

Main Street Greensburg promotes and serves Greensburg's iconic downtown by honoring its unique history, strengthening its economic vitality, and cultivating growth while remaining rooted by the famous Decatur County Courthouse tower tree.

Founded in 2005 with a commitment to preserve and support the downtown community, Main Street Greensburg is a Nationally-Accredited Main Street and a member of Main Street America.

SUPPORTING YOUR DOWNTOWN

The Main Street Greensburg Holiday Walk is celebrating its 10th anniversary this year, and while it may look and feel like a scene straight out of a Hallmark Christmas movie, its impact runs far deeper!

Each year, families fill the streets to enjoy free activities, the lighted parade, and the iconic tree lighting. But behind the festive fun, the Holiday Walk is quietly fueling serious economic growth. The event brings thousands of people into our downtown each year, creating more than \$20,000 in local spending and fueling the small, locally owned businesses that keep our community vibrant.

The holiday magic is wonderful, but it's the support for our entrepreneurs, the boost in foot traffic, and the commitment to our downtown that truly sparks the joy in our hearts. This season, we celebrate not just a decade of tradition, but a decade of impact.
